ZENATO AZIENDA VITIVINICOLA, DOP BARDOLINO
CHIARETTO (VENETO, ITALY) 2022

SAQ code: **15160710** • \$18.60

Exclusive to SAQ Dépôt, here is a dry macerated rosé, made with the same grapes found in red bardolino and valpolicella, namely corvina, rondinella and molinara. My first reaction, smelling it, was to exclaim: hey, it smells of rosé! What a pretty nose full of red fruits and subtly floral. The mouth is so perfect for the beautiful season. It's super invigorating, easy to drink, but not trivial, thanks to a touch of bitterness. The finish is juicy, full of red fruits and with a light herbal note. It is recommended to accompany the famous cantaloupe surrounded by prosciutto, or the summer caprese salad. It makes a very pleasant aperitif, too.
