In “Pine Wine Pick of the Week for Feb. 3: Romantic Wines for Valentine’s Day,” John Vankat recommends wines with “rich, forward flavors, captivating complexity and extended length,” to celebrate with on Valentine’s Day. Among them:

ZENATO Ripassa Valpolicella Superiore 2016  
“Glistens in the glass and possesses an attractive nose featuring expressive fruit. Crispiness and fruit on the palate pair for a very enjoyable balance that couples with full-bodied, pleasing character throughout a prolonged finish.”
